

MEMSCAP
The Power of a Small World™

MEMSCAP TAKES PART IN 2007 'MIDCAP EVENTS'

Grenoble, France and Durham, North Carolina, September 18, 2007 – MEMSCAP (NYSE Euronext: MEMS), the leading provider of innovative solutions based on MEMS (micro-electro-mechanical systems) technology, today announces that it takes part in the 7th edition of the 2007 « Midcap Events » that will be held at Palais Brongniart in Paris, on September 17 and 18.

This financial event longed-for by the finance community, organizes meetings between more than 150 French, Dutch, Belgian, and Portuguese companies of the Euronext Zone, and 350 institutional investors. 12 major brokers, welcoming these companies also attend the event, among which Invest Securities, which will host MEMSCAP, Arkeon Finance, AEK, Avenir Finance, Millennium, Petercam, Portzamparc, Gilbert Dupont, Euroland Finance, and Oddo Midcaps.

MEMSCAP, which ticker symbol is MEMS, belongs to the Next Economy segment. Listed since 2001, it is and remains the only independent MEMS company listed on a European or American stock exchange. Its independence, combined to the very strong progression made in a few years, enables the MEMSCAP Group to hold a specific position in the microelectronics world/industry

MEMSCAP growth momentum, supported by performing products, a vast patent portfolio, continued innovation and penetration of new industries and fields, combined with the strengthening of existing market shares, has generated a particularly health and stable financial situation.

Leader in its fields, MEMSCAP today is recognized as the MEMS leader, and its certified products are famous for their reliability, unmatched performance, extreme precision and stability, while offering increased functionalities such as a minimal size, small weight and the ability to adapt to all applications.

Analysts covering MEMSCAP are Invest Securities, KBC Securities, CIC-Securities, Euroland Finance, Oddo Midcaps and SG Securities.

3rd Quarter revenue will be released on October 22, 2007.

About MEMSCAP

MEMSCAP is the leading provider of innovative micro-electro-mechanical systems (MEMS)-based solutions.
